Please bring your immunization record.

All clinics are first come – first serve. No appointments are necessary. At busy times, not all clients may be seen.

Immunizations for children under 18 years of age require the presence of a parent or legal guardian.

There is no charge for children's vaccines. There is a charge of \$15.60 per vaccine to administer the immunization. This charge may be waived or reduced based on income and family size. No child will be denied vaccine due to inability to pay administration fee. This fee may be billed to private insurance.

Please bring your insurance card with you at the time of service. Fees may also be paid by cash, check, charge.
