

Badge Requirement Services for MultiCare Vendors and Contractors

Thank you for your partnership with MultiCare as a vendor, contractor or subcontractor. MultiCare Centers of Occupational Medicine will be pleased to help you with drug testing, TB testing, and immunizations/immunity testing required to badge your employees working at our facilities.

The necessary services may be obtained at any MultiCare Occupational Medicine clinic, and billed to your company account.

To get started, please 1) review the instructions below, 2) complete Account Application and Contractor Protocol Enrollment forms and return to Account Services below

Contact Info:	<p>Please direct your account application/enrollment forms, and questions to:</p> <p>Account Services MultiCare Occupational Medicine – Administration email: occmed@multicare.org tel: 888-280-5513 opt 1 fax: 253-459-6708</p> <p>Email a PDF of your application for fastest service. You will be provided with pricing, a list of locations, an authorization form, and other information needed to use your MultiCare Occupational Medicine account.</p>
Scheduling	<p>Clinic locations and hours will be provided to you. Most vaccinations, blood draws for immunity tests, and drug testing is available on a walk-in basis for individuals. For groups, please call the clinic to schedule an appointment.</p> <p>Due to special storage requirements, the varicella (chicken pox) vaccine is only available at the Fife and Tacoma clinics. The varicella titre (immunity test) is available at all locations.</p>
Authorization form	<p>Please send a completed Authorization for Services with each employee. This is important to document you authorized the expenditure, and indicate the specific services you need for that employee.</p> <p>Each employee's requirements are different. <u><i>You are responsible for checking and the specific items needed for each employee on the authorization form</i></u></p>
Documentation	<p>You are responsible for submitting documentation to the point of contact for your MultiCare contract.</p> <ul style="list-style-type: none"> • <i>Vaccinations:</i> Clinic will provide your employee with documentation and a copy can be sent to your company contact. • <i>Immunity blood tests:</i> Your employee will be provided with results when available. • <i>Drug testing:</i> Your company drug testing contact retrieves this via web portal or to a secure fax number you specify.
