

Health Information Management (Medical Records) Locations

6/12/2017

HIM provides authorized requestors copies of their medical records. The following departments are open Monday through Friday for patients to come in and request medical records. Before you come in call our copy service CIOX Health on 1-855-673-2673 for specific details on how to obtain your medical records.

All outpatient locations should have blank copies of the Consent to Use or Release My Health Care Information form for the patient to complete. Please fax these forms to 253-333-2419 for processing. Behavior and Substance Abuse records please fax to 253 697-8530.
