### ABOUT MULTICARE VALLEY HOSPITAL:

Valley Hospital is a 123 bed hospital, proudly serving the Spokane Valley community for over 50 years. We offer quality, compassionate inpatient and outpatient care, diagnostic imaging, medical, surgical and emergency services. We believe in the power of people to create great care. We are an accredited acute care hospital with a Level III trauma center. And we work hard every day to be a place of healing, caring and connection for patients and families in the community we call home.
