# FOOMKA DALABKA KAALMADA DHAQAALE - QARSOODI

(sii socda)

## MACLUUMAADKA DAKHLIGA

**XASUUSNAW:** *Waa inaad ku darto caddanta dakhliga dalabkaaga.*

**Waa inaad bixiso macluumaad kusaabsan dakhliga qoyskaaga. Ilaaha dakhliga waxa kamid ah, tusaale ahaan:**

- Mushaharka - Gunnada shaqo la'aanta - Iskaa u shaqaysiga - Magdhawga shaqaalaha - Gunnada naafada - SSI - Taageerada Ilmaha/Lammaanaha
- Barnaamijyada waxbarashada shaqada (ardayda) - Lacagta hawlgabka - Qaybta xisaabta hawlbaka - Wax kale (*fadlan sharax\_* )

**Xaqiijinta dakhliga waxa looga baahan yahay go'aaminta kaalmada dhaqaale.**

**Dhammaan xubnaha qoyska ee 18 jir ah ama ka wayn waa inay sheegaan dakhligooda. Haddii aanad bixin karin waraaqaha, waa inaad gudbiso bayaan qoran oo saxeexan oo sheegaya dakhligaaga. Fadlan bixi caddayn meel kasta oo dakhli kaa soo galo.**

**Tusaalayaasha caddaynta dakhliga waxa kamid ah:**

- Bayaan ah ceshashada "W-2"; ama
- Waraaqaha mushaharka ee wakhtigan (3 bilood); ama
- Cashuur celinta dakhliga ee kalhore, oo ay kujiraan jadwallada haddii ay khusayso; ama
- Bayaano qoran, saxeexan oo ka yimi loo-shaqeeyayaasha ama cid kale; ama
- Oggolaanshaha/diidmada mutaysiga ee magdhawga shaqo la'aanta.

Haddii aanad caddayn haynin dakhliga ah, fadlan ku lifaaq bog kale oo aad ku sharrayso.

## MACLUUMAAD DHEERAAD AH

Fadlan ku lifaaq bog dheeraad ah haddii ay jiraan macluumaad kale oo kusaabsan xaaladdaada dhaqaale ee wakhtigan oo aad jeclaan lahayd inaad nala wadaagto, sida dhibaato dhaqaale, dakhliga xilliyeed ama kumeel gaadhak ah, ama khasaaraha shakhsi ahaaneed.

## HESHIISKA BUKAANKA

Waan fahamsanahay in Nidaamka Caafimaadka MultiCare uu xaqiijin karo macluumaadka isagoo dib-u-eegaya macluumaadka daynta oo ka helaya macluumaad ilo kale si ay uga kaalmeeyaan go'aaminta mutaysiga kaalmo dhaqaale ama qorshayaal lacag lagu bixinayo.

Waxaan qirayaa in macluumaadka sare uu dhab iyo sax yahay intii aan ka ogahay. Waan fahamsanahay haddii macluumaadka aan bixiyo la ogaado inuu been yahay, ay natiijadu noqon doonto in la ii diido kaalmada dhaqaale, oo aan ka masuul noqon doono la iigana fadhiyo inaan iska bixiyo lacagta adeegyada aan helay.
