Residency Program

Duration/Type: 12mo/Pharmacy Practice Residency (PGY1)
Number of Positions: 2
Application Deadline: January 19
Approximate Starting Date: June 22
Estimated Stipend: \$56,000
Interview Required: Yes

Special Features: This is a new program that provides a high level of training in pharmaceutical care within a diverse patient population. It is designed to enhance a resident's clinical, critical thinking, and leadership skills with flexibility to meet individual needs and interest of the resident. Acute care training includes critical care, emergency medicine, medical/surgical, infectious disease, psychiatry, neonatal and transitions of care. Ambulatory care includes family practice, oncology, diabetes, and anticoagulation clinic. Longitudinal experiences include major project, formulary management, medication safety, medication use evaluations, staff development, administration, drug information, and teaching certificate.

Fringe Benefits: 25 days paid time off, sick leave, medical/dental /life insurance, attendance to ASHP Midyear meeting and Regional Residency Conference.

Special Requirements for Acceptance: Washington State licensure, curriculum vitae, transcripts, three letters of recommendation, letter of intent, and satisfy eligibility requirements for employment including acceptable results on a pre-employment drug screen and background check. The program does not accept work visa.
