MultiCare Foundation's Heart Strings has been canceled

SPOKANE – MultiCare Inland Northwest Foundation announced today that their second annual benefit concert, Heart Strings, has been canceled due to recent concerns over the COVID-19 virus.

With an abundance of caution regarding coronavirus (COVID-19) MultiCare Health System has decided to suspend all internal meetings of 100 people or more and to restrict non-essential air travel.

By extension of MultiCare's policy, Heart Strings has been canceled. At this time, the event has not been rescheduled.

All tickets and sponsorships will be refunded in full.

"While precautionary, we feel like this is in the best interest of the community," Carolyn Kadyk, MultiCare's Inland Northwest Executive Director, said. "We would like to extend our heartfelt apology to the thousands in our community who purchased tickets and have made this such a special annual event."
