

MULTICARE GOOD SAMARITAN RESIDENCY APPLICATION PROCEDURE

All applicants must participate in the ASHP residency matching program. If you need to request application materials for the matching program, go to:

National Matching Services: <http://www.natmatch.com/ashprmp/index.htm>

Note: The information that is sent to you by the National Matching Services is **not an application to this residency program**.

Admission to Good Samaritan's PGY1 Residency Program, National Match Program Code Number 125313, requires the following in PhORCAS:

- Letter of intent
- Curriculum vitae
- Three professional letters of recommendation
- Official transcript from accredited School of Pharmacy
- Personal interview
- On-line employment application – completed after Match

Residency applications are accepted until January 3 of the current year.

Once application materials are received and reviewed, you will be contacted regarding an interview.
