

FOR THE SAFETY OF OUR PATIENTS, VISITORS AND STAFF AND TO SLOW THE SPREAD OF COVID-19, VISITOR SCREENING AND RESTRICTIONS ARE IN EFFECT AT OUR CLINIC:

- All patients and visitors will be screened for symptoms, including:
 - o A fever (> 100.4 or, if 65 or older, >99.6)
 - o A new cough not attributable to another medical condition
 - o New muscle aches not attributable to another medical condition or physical activity (e.g., physical exercise)
 - o Throat pain not attributable to another medical condition
 - o New shortness of breath not attributable to another condition
 - o Loss of smell
 - o Diarrhea, nausea or vomiting
- All patients, caregivers and visitors are required to wear a mask, unless they have a qualifying health condition. You will be provided with a mask if you arrive without one.
- If you refuse to wear a mask, you may be asked to leave the clinic and we will assist you in scheduling a virtual visit instead.
- Only one caregiver or support person will be allowed to accompany patients to clinic appointments.
- No children 17 years of age or younger will be allowed in the clinic unless they are a patient themselves.

Thank you for your cooperation.
