
FOR THE SAFETY OF OUR PATIENTS, VISITORS AND STAFF AND TO SLOW THE SPREAD OF COVID-19, VISITOR SCREENING AND RESTRICTIONS ARE IN EFFECT AT OUR CLINIC:

- All patients and visitors will be screened for symptoms, including:
 - A fever (> 100.4 or, if 65 or older, >99.6)
 - A new cough not attributable to another medical condition
 - New muscle aches not attributable to another medical condition or physical activity (e.g., physical exercise)
 - Throat pain not attributable to another medical condition
 - New shortness of breath not attributable to another condition
 - Loss of smell
 - Diarrhea, nausea or vomiting
- Everyone must wear a mask except children under the age of two and those with qualifying health conditions. You will be provided with a mask if you arrive without one.
- If you refuse to wear a mask, you may be asked to leave the clinic and we will assist you in scheduling a virtual visit instead.

ADULTS

- Only one caregiver or support person will be allowed to accompany adult patients to clinic appointments.
- No children 17 years of age or younger will be allowed in the clinic unless they are a patient.

PEDIATRIC PATIENTS (17 OR YOUNGER)

- Only one parent or caregiver will be allowed to accompany patients to clinic appointments.
- No siblings of any age will be allowed in the clinic, unless they have appointments themselves.

Thank you for your cooperation.
