

FOR THE SAFETY OF OUR PATIENTS, VISITORS AND STAFF AND TO SLOW THE SPREAD OF COVID-19, WE ASK YOU TO FOLLOW THESE RESTRICTIONS:

- Everyone is required to wear a mask. We will provide you with a mask if you arrive without one.
- All patients, visitors and caregivers/support people will be screened for symptoms.
- Patients will be allowed only two asymptomatic (without symptoms) support people during labor and birth. Other visitors will not be allowed.
- Two hours after delivery, one support person may remain at the bedside and the second person will be required to leave.
- The remaining one support person will be the same throughout the entire hospital stay.
- Support people must be at least 17, unless they are the baby's parent or patient's significant other.
- Visitors will be issued a wristband for the day to help identify them to our staff.
- Use hand sanitation dispensers or wash hands before entering patient rooms. Follow instructions if you are asked to wear additional personal protective equipment (PPE).

Thank you for your cooperation.
