

PLEASE READ BEFORE ENTERING

MULTICARE PATIENT SERVICE CENTER PATIENT, CAREGIVER AND VISITOR RESTRICTIONS

For the safety of all patients and staff, all patients, visitors and caregivers must wear a mask.
If you arrive without a mask, we will provide you with one.

Please review the following screening questions for patients and accompanying caregivers.

- Do you have:
 - A fever (> 100.4 or, if 65 or older, >99.6)?
 - A new cough not attributable to another medical condition?
 - New muscle aches not attributable to another medical condition or physical activity (e.g., physical exercise)?
 - Throat pain not attributable to another medical condition?
 - New shortness of breath not attributable to another condition?
 - Loss of smell?
 - Diarrhea, nausea or vomiting?

- If you or your caregiver/support person has any of the above symptoms:

**PLEASE CALL _____ FOR INSTRUCTIONS
BEFORE ENTERING.**

- Only one caregiver or support person will be allowed to accompany adult patients to clinic appointments.

Thank you for your cooperation.
