Visual Reminder: Surgical Masks

April 8, 2020 v2

Visual reminders to ensure you are a STAR: Stop, Think, Act & Review. "Is my mask on correctly?" It's a great time to cross-check a coworker and coach each other in proper technique!

Before eating or drinking, properly remove and store mask.

Mask must fully cover the mouth and nose when worn. Utilize your work area's designated space for storing your mask when not in use.
