

## Daily COVID-19 Employee Screening

- Upon arrival at your place of work, complete the online screening form using this QR code.
- Online screening needs to be completed at the start of each shift.
- Managers will be able to review compliance reports of employee screening.

### Instructions:

- To open the QR code, open the “Camera” on your smart phone and hold it up to the QR code. You will be prompted to follow a link/open a browser that will take you to the screening site.
- The first time you use the QR code, you may be asked to complete a 2-step authentication process. You should only have to do this once.
- If you do not have the ability to screen using the QR codes, please speak with your manager or contact at the facility to ensure you are being screened through our verbal/paper process.
- Here is the link to the [Daily Attestation Form](#) if for any reason the QR Code is not working.
- Please contact Amanda Horstman at [ahorstman@multicare.org](mailto:ahorstman@multicare.org) with questions about the QR code.
