

Daily COVID-19 Employee Screening

This daily attestation screening is for MHS employed staff working at a MultiCare facility.

- Upon arrival at your place of work, complete the online screening form using this QR code or [link to a computer form](#). The link is also located on the COVID Microsite under “[Visit Restrictions/Screening.](#)”
- Screening needs to be completed at the start of each shift.
- If you are unable to complete via QR code or link, please complete attestation [using the paper form](#).

Instructions:

- To open the QR code, open the “Camera” on your smart phone and hold it up to the QR code. You will be prompted to follow a link/open a browser that will take you to the screening site.
- The first time you use the QR code, you may be asked to complete a 2-step authentication process. You should only have to do this once. Please ensure you are on the MHS network or using the MHS mobile app.
- Please contact Amanda Horstman at ahorstman@multicare.org with questions about the QR code.
