

Daily COVID-19 Staff Screening

(Employed & Non-Employed)

- Upon arrival at your place of work, complete the online screening form using this QR code. If you are a non-employed staff member and are already completing screening through your employer, you do not need to complete this process.
- Screening needs to be completed at the start of each shift.
- If you are unable to complete via QR code or link, please complete attestation [using the paper form](#).
